## LETTER OF WARRANTY TERM

### A. WHAT IS WARRANTED.

Seller makes the following warranties to the original purchaser or each item of new equipment.

1. Equipment Warranty. All parts of equipment except (tires, track rubber shoe,tubes, radio and batteries,lamp,fuse, peeling rubber finger,brake disc )which are defective in materials or workmanship as delivered to purchaser will be repaired or replaced ,as seller elects without charge for parts or labor if a defect appears within 12 months or 1500hours. Whichever occurs first from the date of delivery of the equipment to the original purchaser.

2. Replaced Parts Warranty.

Genuine parts which are furnished under this warranty and installed by Seller will be repaired or replaced , as Seller elects, without charge for parts or labor if a defect in material or workmanship appears within 90 days from the date of installation of such parts or before the expiration of the original warranty period whichever is later.

### B. SECURING WARRANTY SERVICE

Warranty service will be provided by Seller upon request and presentation of evidence of the date of delivery of the equipment The purchaser shall pay any premium for overtime labor requested by the purchaser and charger for making service calls, for the cost of transporting the equipment to and from the place where the warranty work is performed and for parts and labor not covered by this warranty.

### C. ITEMS NOT COVERED BY THIS WARRANTY

Used equipment , and tires(track rubber shoe), tubes,radios and batteries sold on or with equipment's, are not included in this warranty and are not warranted by Seller unless the delivers to purchaser a separate written warranty Certificate specifically warranting the item.

### D. UNAPPROVED SERVICE OR MODIFICATION

All obligations of Sellers under this warranty shall be terminated:

1. If service other than normal maintenance or normal replacement of expendable items is performed by some one other than Seller or the duly authorized representative of the manufacture of components not of Manufacturer
2. If equipment is modified or altered in any ways not approved or recommended by the manufacturer.

### E. ACCIDENTS & NORMAL MAINTENANCE

This Warranty covers only defective material and workmanship, it does not cover depreciation or damage caused by normal wear. Accident ,improper maintenance , improper protection in storage , or improper use .The cost of normal maintenance and normal replacement of expendable items such as filter , ignition , parts injectors, fuses, cutting parts, belts, brake linings etc shall be paid for

---

by the end user .

F. NO REPRESENTATIONS OR IMPLIED WARRANTY

Neither Seller the manufacture not the whole sale distributor makes any warranties, representations or promises expressed or implied as to the quality or performance of the products other than hose set forth above and DOES NOT MAKE ANY IMPLIED WARRANTY OF MERCHANT

ABILITY OR FITNESS. Seller has no authority to make any representation or promise on behalf of the manufacture or any wholesale distributor equipment and no assistance given to purchase by seller or anyone acting with him in the repair or operation of the equipment shall constitute a waiver of the conditions of this warranty in selling equipment covered by this warranty . Seller is not acting as agent of the manufacture or any wholesale distributor but seller is an independent dealer and has sold the equipment for its own account as such.

G. REMEDIES EXCLUSIVE

The only remedies the purchaser has in connection with the breach or performance of any warranty equipment are those set forth above in no event will the Seller ,TAGRM limited. be liable for direct damage or injuries caused by quality failure(no include illegal and dangerous operation), limited to loss of crops loss of profits, rental of substitute equipment.

H. FREE INSPECTION

In order to assure that the end user is receiving satisfactory service, dealer will perform a free inspection of equipment within the warranty period after the equipment has been “run-in”. Since the “run-in” period will vary between different items of equipment . Dealer will suggest the most appropriate time for such inspection it is end user’s Obligation to deliver the equipment to dealer ‘s service shop for this inspection or to reimburse. Dealer for any service call invoiced in making the inspection at another location when requested by end user.

I. TRAIN PLAN

TAGRM limited will train operators and technicians from buyer online or onsite, These operators and technicians team will in charge of the train working and maintenance service for the end users.

J. Part catalog, operator and service manual will delivery with machine or send DHL to agency.
